NAME

NAME is the National Association of Miniature Enthusiasts, whose motto is “Only Through Sharing Can We Truly Enjoy Our Treasures”. A miniaturist can be an individual member of NAME, or can be in a club that is a NAME club. NAME hosts regional events and a national convention that any NAME member may attend. For further information about NAME see the NAME table or visit their website, www.miniatures.org.

IGMA

IGMA is the International Guild of Miniature Artisans, whose motto is “In the Pursuit and Recognition of Excellence”. The primary goal of *The Guild* is to promote fine miniatures as an art form, thus removing them from the category of crafts. Miniaturists may be members of The Guild whether they are collectors or artisans. Artists may apply for IGMA Artisan status, and a few years later for IGMA Fellow, both of which indicate a high level of skill. For further information about IGMA see their table or visit their website, www.igma.org.

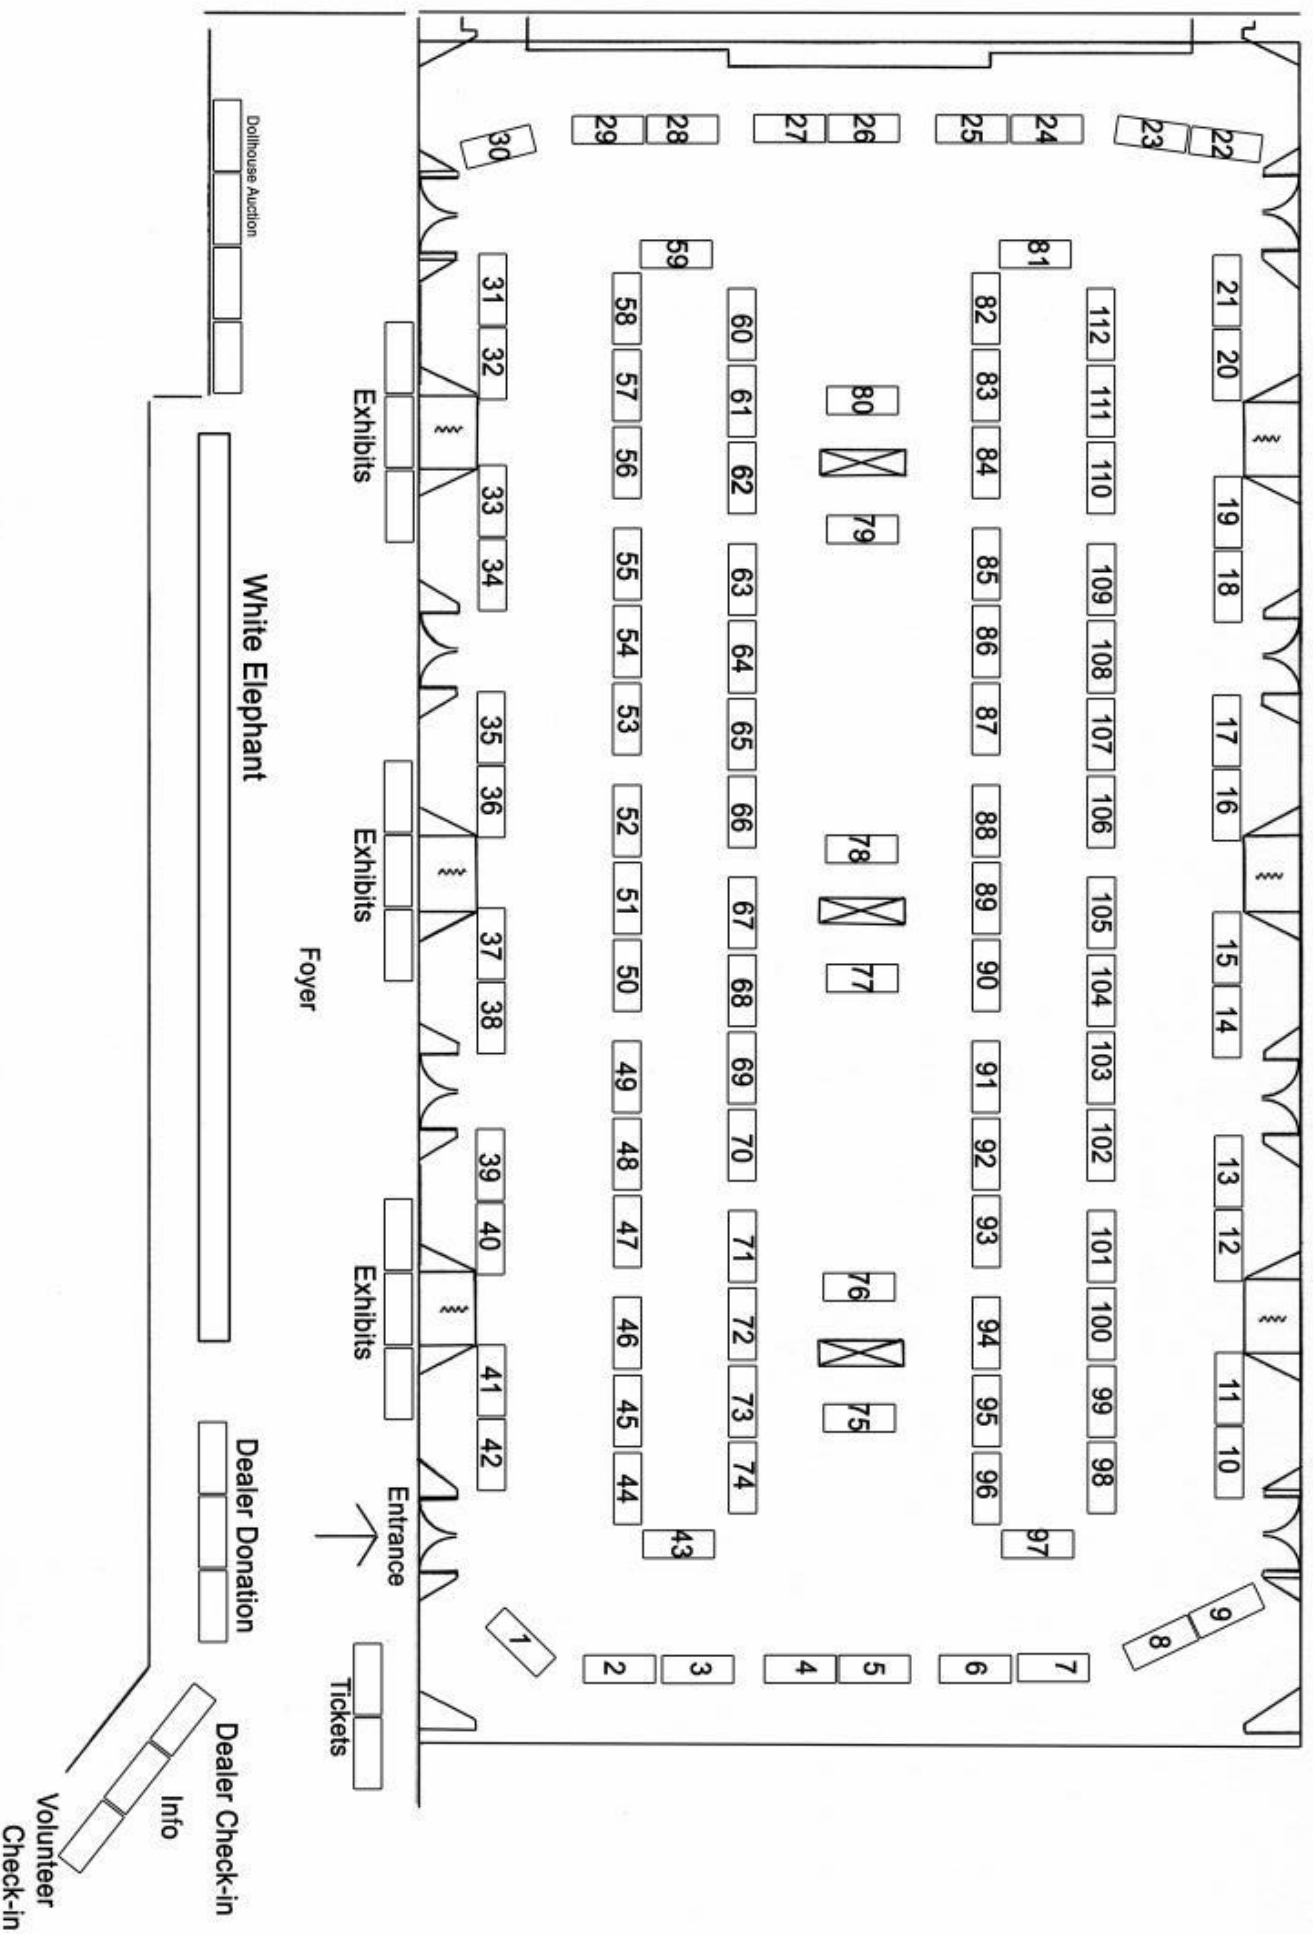

Our Show's Beneficiary

Our show is a benefit for The Auxiliary of Good Samaritan Hospital, “a charitable, non-profit organization, The Auxiliary’s mission is to provide voluntary service and support to the Good Samaritan Hospital community. We are committed to providing comfort to the whole person – mind, body, and spirit.”

We apologize to any exhibitors whose names were left off the list due to publication deadlines.
